A Unique Hunting Experience

Argentina

Southern Lodges is a family company committed to customize your hunting trip.

*Our vision is to develop a
“Unique hunting experience”.*

At Southern Lodges, our team provides excellent service in and outside the Lodge. Our hunters, guides and trackers will ensure the ultimate outdoor experience while our team of chefs, waiters and housekeepers will take care of the rest. From the moment we pick you up at the airport, we promise to make your trip to Argentina a safe, incredible and unforgettable experience.

Over the years, the demands of our customers have evolved and so we are constantly reevaluating our operations: the game, the hunting grounds, and the services provided by our lodges and staff.

Southern Lodges is located in La Pampa and Buenos Aires province and all our hunting operation is carried out in our own Lodges and you will always be attended by us, the owners.

A sportsman knows a successful trip is more than a collection of trophies, it is also an enjoyable experience in the field and camaraderie with friends and family. The chase and the challenge of the unknown and dealing with changing conditions are just some of the features that draw us to the sport.

In Southern Lodges we take hunting very seriously, and all clients are treated with the utmost courtesy and respect.

Our team of professionals is dedicated to giving our clients absolute customer satisfaction and that is the reason why 80% of our clients are repeat customers. We ensure high success rates with top-notch equipment, with experienced and hard working team. We appreciate your interest in our operation and look forward to serving you this season on your next big game adventure. Southern Lodges is committed to the idea that the best advertisement is by word of mouth of our satisfied clients.

Southern Lodges *Argentina*

Is located only 1,5 hour form Bahía Blanca Airport with two daily flights from Buenos Aires.

Argentina

Argentina is considered as one of the most important worldwide destinations for cinegetic tourism for the American and European market.

La Pampa

La Pampa Province is a natural habitat for Red Stag, Fallow Deer, Axis Deer, Mouflon, Blackbucks and Wild Boars, among others. In "El Aguara Lodge" the Hunting operation is Free Range.

Buenos Aires

Argentina

In Buenos Aires Province, settled between two valleys and crossed by clear water streams, "Cerro Las Tunas Lodge" is a fertile, dark soil land, proper for the growing of wheat, oat, corn and sunflower thanks to the distinct weather of the humid Argentine Pampa region.

Also home to Red Stag, Fallow and Axis deer, Blackbucks, Himalayan Thars, Mouflon sheep, pure breed European wild boars, Wild goats, Wild rams, wild and multi-horned sheep, the farm is also a closed hunting lodge immersed in unmatched views. We are permanently incorporating the best blood in the world as well as top quality international trophies.

Cerro Las Tunas *Lodge*

In the heart of the Sierras de la Ventana region lies "Cerro Las Tunas Lodge", peacefully nestled within 70 acres of majestic gardens, with a large in-ground swimming pool, and great pictures views of the distant stunning mountains.

The deluxe accommodations at Cerro Las Tunas are of the highest quality. The private suites and the food, wine and service are exquisite and on a par with famous world class five star hotels. Every aspect of our big game hunting lodge exudes the highest level of comfort and luxury while still maintaining a comfortable, familiar atmosphere.

Recalling the charm of days gone by, the elegant Lodge and its landscaped gardens offer complete privacy and the comfort and luxury of a grand historic homestead.

Relax in the living room or in the library with a cosy fire place or unwind on the gallery with a glass of wine overlooking the majestic sunsets.

El Aguara *Lodge*

Our lodges are the typical Argentinean “estancias” where the “gauchos” and our tradition is combined with the atmosphere of a hunting lodge.

“Estancia “El Aguara” is a 36.000 acres agricultural and stockbreeding farm that combines flat areas, forests, low hills and an incredibly challenging landscape that any hunter would love to face.”

The Lodge can accommodate up to 6 hunters at the same time in comfortable suites with personalized service.

The meals at the lodge are specially prepared by the Estancia staff, and they always include a wonderful display of local ingredients such as deer ham, wild boar ham, grilled lamb, and of course the traditional Argentine Asados.

Lote 15 *Lodge*

Located in the large extensions of La Pampa province, our lodge is the right combination between the refinement of a Colonial style, and a charming and hospitable homely atmosphere.

This Estancia was built in 1905 and it has until this days the same aspect but with the comfort and the needs from which you can enjoy the best shooting experience ever.

Argentina has the larger population of doves in the entire world.

The specie we hunt here is the eared dove. The huge grey clouds of doves covered the fields. In La pampa we have more than 20,000,000 doves.

Lote 15 lodge is the perfect place to your Dove – Pigeon combo hunting with millions of doves in our 12.000 acres property which includes one of the largest dove roost in La Pampa. It is also worth mentioning that this Lodge is only 60 miles from "El Aguara Lodge" where you will have the chance to combine your Dove and Pigeon shooting program with the best Big Game Hunting.

La Gotera *Lodge*

“La Gotera Lodge” is a 18.000 acres farm in the Argentinean Patagonia, Neuquén Province. This is the perfect habitat for Red Stag, which are found free roaming in abundance.

Two Big and famous rivers go through this property: Kilka and Alumine Rivers. So, you will also have the chance to experience the best Fly fishing adventure. This amazing rivers which runs through the property over rapids and with its challenging pools is home to land-locked salmon, brown and rainbow trout. It is an exclusively catch and release fly-fishing river. Also take into account that sections of the riverbank are lined with trees and shrubs making casting more exciting and rather challenging!

With a wonderfully cozy ambience “**La Gotera Lodge**” offers a comfortable living room with its inviting fireplace as a center piece.

The three individual guest rooms at the lodge are spacious and comfortable. Each has a private bath with full amenities.
